Langebæk appoints Rudi Kjeldsen as Partner

Langebæk is pleased to announce the promotion of Rudi Kjeldsen from Director to Partner.

The appointment recognises Rudi's significant contribution to Langebæk's commercial development and his role in strengthening client relationships across the Nordic region.

In parallel, Rudi has accepted the position of Country Manager for Denmark, reflecting his continued leadership responsibilities within the organisation.

Rudi joined Langebæk more than ten years ago and has been a driving force behind the company's commercial development and client relationships ever since. Throughout his tenure, he has successfully developed and grown several Nordics accounts and has been instrumental in creating long-term value for both organisations and Langebæk.

Known for his deep expertise in logistics and supply chain management, Rudi combines strategic insight with a pragmatic approach to solving complex operational challenges. Throughout his career at Langebæk, he has helped clients improve performance across their supply chains and translate strategy into tangible business results. His professional credibility, commitment to quality and ability to create lasting impact have made him a trusted advisor and a valued colleague throughout the organisation.

Anders Bartholin, CEO Operations & Partner, says:

"Rudi has been a key contributor to our commercial development throughout his time at Langebæk. He has a unique ability to understand our clients' challenges, build trusted relationships and identify opportunities that create value for both clients and Langebæk."

"Rudi's appointment is well deserved. Beyond his commercial achievements, he is a respected colleague and a role model for how we work together, support one another and live our values.", Anders ends.

Rudi's appointment reflects Langebæk's continued focus on developing leadership from within and strengthening both its capabilities and organisational foundation. With this appointment, the management group now consists of Lars Bek Jensen, Anders Bartholin, Rudi Kjeldsen, Peter Landenberg, Heidi Bergsveen, Christoph Ohly, and Lars Dam Kristensen. The extended management team further includes Martin Schultz, Morten Badsberg, Peter Lamp Sørensen, and Anna Olsén.

We congratulate Rudi on his new role and look forward to his continued contribution as Partner and Country Manager for Denmark.

About Langebæk

Founded in 1977, Langebæk is a Scandinavian consultancy specialising in logistics and supply chain management. The company employs more than 45 people across offices in Denmark, Sweden and Norway, with headquarters in Allerød, Denmark.
